Meet our 2019 Winning Kid

MADELINE BARGY

Madeline Bargy, 7, is the daughter of Jennifer and Shane Bargy. She attends Jefferson Elementary School in Delanson and is in the second grade. Madeline has three siblings: Kaitlyn, Ryan and Morgann.

Madeline began having seizures at age 1, which were originally thought to be febrile seizures. Her parents worked diligently to prevent her from becoming sick and treating any sign of illness to prevent further seizures. Despite this vigilance, her seizures continued and were determined not to be febrile in nature, and she was diagnosed with idiopathic focal epilepsy. Madeline was started on medication but continues to have occasional seizures.

Madeline and her parents have worked hard over the last few years to help her boost her confidence and assist with her reluctance to trying new things. In fact, she overcame her shyness enough to audition for a speaking part in The Schenectady Theater for the children’s production of “Treasure Island” and she will be performing as a gingerbread this year in the Northeast Ballet production of “The Nutcracker” at Proctor’s Theater.
