Scholarships to support travel to 2022 Epilepsy Foundation Pipeline Conference, March 3-4, 2022 in Santa Clara, California

The [Epilepsy Foundation Pipeline Conference](#) is held every two years to bring together decision-makers in the field of epilepsy treatment, therapeutic innovation, and product development. This exciting meeting provides a forum for evaluating new therapies in development, exploring future advancements, and encouraging collaborations and partnerships. It provides over 200 international participants the opportunity to network and gather insight from academic, clinical and industry leaders on making the right choices in epilepsy therapy development.

The Epilepsy Foundation, the Epilepsy Study Consortium, and the Pediatric Epilepsy Research Foundation have pooled their funds to provide travel grants to the conference. Please note that each foundation sponsors a different type of travel grant (Epilepsy Fellow/Junior Faculty and Pediatric Epilepsy Fellows). Please see **Types of Travel Grants** to select the one that best applies to you. Successful applicants are expected to attend all sessions (virtually or in-person) and are invited to participate in mentoring meetings with experienced clinicians and scientists during the conference.

Application due date: **Friday, December 31, 2021 by 5:00pm ET.** Applications received after this date will not be considered.

Submit to: grants@efa.org. Include name of travel grant type in subject line (i.e., Epilepsy Fellow/Junior Faculty, or Pediatric Epilepsy Fellow)

Eligibility Criteria for Travel Grants:

- Applicants must either be current epilepsy fellows, entering an epilepsy fellowship in 2022 or junior faculty (up to 3 years).
- Applicants must not have previously received a travel grant to attend a prior conference.

Types of Travel Grants, additional criteria:

- Epilepsy Fellow/Junior Faculty applicants supported by ESC and EF: must either be current epilepsy fellows, entering fellowship in 2022 or junior faculty (up to 3 years).
