I hereby grant full permission to EPILEPSY FOUNDATION to use, reuse, reproduce, publish, or republish any photographs, motion pictures, recordings, or any other record of my participation in the Pipeline Conference on September 25 and 26, 2024 (hereinafter, “content”), in any medium now known or hereafter developed, alone or in conjunction with other material, without restriction as to changes or alterations, as well as to use my name, voice, likeness, and/or other indicia of identity, for editorial, educational, promotional, advertising, and commercial purposes, including without limitation in connection with the solicitation of contributions and the furtherance of the corporate objectives of EPILEPSY FOUNDATION.

I hereby grant the EPILEPSY FOUNDATION, together with its legal representatives, affiliates, subsidiaries, parent, designees and assigns, those for whom it is acting, and those acting with its authority and permission the absolute right and permission to copyright and use, re-use and publish said content in which I may be included, in whole or in part, or composite or distorted in character or form, without restriction as to changes or alterations, from time to time, in conjunction with my own or a fictitious name, or reproductions thereof in color or otherwise made through any media for art, advertising, trade, or any other purpose whatsoever. EPILEPSY FOUNDATION shall have complete ownership of the content, in perpetuity, including copyright interest, and I acknowledge that I have no interest or ownership in the content or their copyright. I also consent to the use of any printed matter in conjunction with the content.

I hereby waive any right that I may have to inspect or approve the finished content or the advertising copy or printed matter that may be used in connection therewith or the use to which they may be applied.

I hereby release, discharge and agree to save harmless EPILEPSY FOUNDATION, and all persons acting with its permission or authority or those for whom it is acting, from any claims and liability by virtue of any blurring, distortion, alteration, optical illusion, or use in composite form, whether intentional or otherwise, that may occur or be produced in the taking of the Photographs or in any subsequent processing thereof.

I understand that the photo or video shoots may contain the use of bright flashing or strobe lights that may result in seizures for those with photosensitive epilepsy. I hereby release the EPILEPSY FOUNDATION, and all persons acting with its permission or authority or those for whom it is acting, of any effects that the use of strobe lights may have on my person, including potential seizures or migraines.

I hereby warrant that I am of full age and have every right to contract in my own name in the above regard. I state further that I have read this authorization and release, prior to its execution, and that I am fully familiar and in agreement with the contents hereof.
