

# Meet Rusty Senecal

**As we conclude our 40th Anniversary year, we continue to celebrate individuals who have helped define the past 40 years. Today our spotlight is on Rusty Senecal.**

Rusty Senecal came to our organization as the Dad of a 5-year old son who was diagnosed with epilepsy. The first event he attended was our family conference, where he shared his background as an accountant, and was immediately invited to join the Board of Directors! Rusty has served on our Board of Directors for the past 18 years. He has served as Treasurer, Vice President and President, as well as Chair of our Confections in Chocolate Committee. He is an active member of our finance committee, and a regular attendee of many of our special events including Confections in Chocolate, Bowl for Epilepsy, and the Walk to End Epilepsy. In the past, he also served as a panelist at our family conference, and was an active member of the parents support group, sharing his son's epilepsy journey with other parents and families.

Over the years, Rusty has presented our financial reports and budgets to the Board of Directors, offering explanations and support to our members. He has helped us raise money to support our mission through his introductions and connections with other businesses. Recently, he recommended a new individual to join our Board of Directors. That individual is his son, Ryan, past Winning Kid, and now a Member Service Advisor with SEFCU!

*We are extremely grateful to Rusty for his incredible support of our organization for nearly two decades.*
